

Assessment of Civil Emergencies Management and Preparedness in Albania

Context

Under the World Bank Perspective on Managing Natural Disasters in Europe, URI has prepared and delivered to World Bank a detailed report on the legal, institutional and operational status of Albanian organizations in facing and overcoming natural disasters.

- The report includes identification of main natural disasters affecting Albania, their layout and an estimation of risks deriving from potential disasters.

About URI

Since 1999 the Urban Research Institute (URI) has been delivering big results for development projects and programmers carried out throughout Albania. Our core business focuses on community development, local government strengthening, environmental protection, decentralization, and public services. We conduct studies, lobby the government, train local government units, increase public access to information, and connect development partners. URI has worked with donors such as USAID, Swiss Cooperation, the Netherlands Embassy, UNDP, World Bank, EU, SIDA, Open Society/Soros Foundation, etc.
