PROJECT FACT SHEET

Urban Research Institute

Evaluation of Infrastructure Projects and Auditing of the Albanian Development Fund Procedures for the Implementation of World Bank Community Works Program - I

The Goal

The general objective of the project was to carry out procurement, technical and procedural audit of Community Works Project, with a particular attention to the process of participation of the benefiting community.

The evaluation was conducted through combining different methods which allows for taking out all necessary information avoiding political and personal interest interferences.

About URI

Since 1999 the Urban Research Institute (URI) has been delivering big results for development projects and programmers carried out throughout Albania. Our core business focuses on community development, local government strengthening, environmental protection, decentralization, and public services. We conduct studies, lobby the government, train local government units, increase public access to information, and connect development partners. URI has worked with donors such as USAID, Swiss Cooperation, the Netherlands Embassy, UNDP, World Bank, EU, SIDA, Open Society/Soros Foundation, etc.
